

# SRO ADVANTAGE FOR SCHOOLS WITH AN SRO

Protecting staff and students is the top priority during an Active Shooter Event. Templar Life Safety delivers an unparalleled solution for School Resource Officers to help deter, defend, and defeat assailants and threats.

## Rapid Access

The SRO Advantage provides rapid access to enhanced response tools with strategically placed vaults throughout your facility.

## Secure

Purpose-built with steel plate construction, each vault has multi-factor authentication, and can be integrated into an existing alarm system, allowing no unauthorized access!

## Storage

Populate Templar's vaults with your Department supplied tools, such as long guns, plated carriers, trauma kits and more, to better protect yourself, students and staff.

## Easy Access

Iris scan access ensures rapid access with no fine motor skills required. No codes to remember, no keys to fumble, and no risk of power interruptions to a key pad.

**RAPID RESPONSE**

## SRO Advantage

SRO Advantage by Templar Life Safety offers immediate access to the tools needed to deter, defend, defeat, and triage during an Active Shooter or Assailant Event. The vault is critical to allowing your School Resource Officers to respond to the threat quickly and save lives. The Templar SRO Advantage will enable you to protect and secure your campus while maintaining a safe and distraction-free learning environment with gun free zone compliance.
